# *Preface*

A COLLEGE YEAR WHEN IT HAS PASSED SEEKS  
TO LEAVE IN MEMORY'S CINEMA AN ALL TOO  
RAPID SUCCESSION OF PICTURED HAPPENINGS.  
AND SO IT IS THAT WE PRESENT THIS SLOWER  
MOVING RECORD, PAGE BY PAGE—THE DETAILS  
CLEARER HERE THE MAKERS OF THIS HISTORY  
CAUGHT AND HELD IN PICTURED QUIETUDE. IF  
THIS SLOW MOTION RECORD BRINGS TO YOU IN  
DAYS THAT ARE TO COME A SECOND THRILL OF  
REENACTMENT, A QUICKENING TO LIFE OF HALF  
FORGOT EXPERIENCE, OUR TASK WILL BE WELL  
DONE AND OURS THE GLORY IN THE PLEASURES  
BROUGHT TO YOU.

Professor Guy Albright

Professor William A. Blakely

The work of the School of Arts and Sciences deals with the undergraduate in his first two years of college work. Satisfactory completion of the two year's work in this school entitles the student to the degree of Associate of Arts. This school provides for the student who does not intend to pursue any special line of work, as well as giving a broader foundation to the student intending to enter an advanced school of the College or a professional school. A great deal of freedom is allowed the entering student on selecting his own course of study.

## *Football 1936*

Colorado College ended the 1935 season with high hopes for a most successful season in '36 but fate in the form of scholastic eligibility, accidents, work and graduation, dealt a hard blow to optimistic plans. Captain Preskar and Ray Hess were lost through graduation. Bud Alston, Paul Simpson, and Jim Walsh dropped out of school. Final examinations erased four more, Jim Riley, Andy Mihalick (both All-conference candidates) Merle McJunkin, and Al Owens. An automobile accident ended Paul Weston's hopes for the season. In spite of these unprecedeted and unlooked for losses C. C. still turned out a very fine team despite the contradictory evidence of the percentage column.

There isn't a doubt in anyone's mind that the Tigers were the "hard-luck" team of the conference. They played a superb game against Denver, only to have a victory slip from their grasp when a Pioneer end caught a long pass over the D. U. goal line, to defeat them 7-2. At Montana State a long pass again spelled defeat, by a margin of 6-3. And at the annual Homecoming the Tigers battled the favored Buffalos to a standstill for almost four quarters and then in the final minutes of play saw a blocked C. C. punt bring victory to a whipped Boulder team. Had Dame Fortune turned her fickle smile our way a little more often the Tigers would have ended right at the top of the list.

### **RESUME OF THE SEASON—**

**C. C.—D. U.:** The Colorado College Tigers surprised the football world by the superb spirit and drive which they showed against the heavily favored Pioneer eleven.

O. TRAINOR  
ALDENDIFER  
CHENEY  
MARTIN

Receiving the opening kick-off the Tigers started the game with a bang by pulling one of the most spectacular plays seen on a Rocky Mountain gridiron. Deacon received the ball and raced toward the east stands, the whole D. U. team following. Reaching the side line he suddenly turned and threw a long lateral, the width of the field, to Neil who galloped 40 yards to mid-field before being downed by the Denver safety. The Denver touchdown came in the third quarter when the Pioneers made a determined drive into Tiger territory. The Bengal line held for three downs on the two yard line but on the fourth down Denver threw a pass over the goal line into the waiting arms of Maio, huge Denver back. In the next few minutes the Tigers forced the Hill-Toppers back into their own territory and caught them behind their own goal for a safety and two points. In the Fourth quarter C. C. marched from their own 25 yard line to Denver's 20 but were unable to score and lost the ball on downs. The final score, 7-2, D. U.

**C. C.—Montana.** The Tigers journeyed to Mon-bana for the first time in the history of their football competition and for the first time in history bowed their heads in defeat to a Bobcat eleven. Although C. C. drew first blood by scoring a placement from the 14 yard line in the first quarter the Bobcats overcame the temporary advantage by completing a long pass for their winning touchdown. The remainder of the game was played in mid-field with neither team showing anything but dogged determination, not yielding an inch to the other. The Bobcat defense seemed impregnable and the Tigers

found themselves unable to make a determined scoring drive. The Tigers seemed to have let down after their magnificent game with D. U. and this, coupled with the fact that the Bobcats were keyed to the breaking point for their homecoming game resulted in the unexpected upset. The game ended with the score 6-3 in favor of Montana.

**C. C.—Mines** The Tigers and the Miners met for the forty-third time in gridiron competition. The Tigers maintained their record of wins over the Miners; an Oredigger team has not beaten a Tiger eleven since 1922.

Colorado College showed little razzle-dazzle football but won by sheer hard driving, speed and power. The Bengal line was impregnable as usual, but the Miners scared the Bengals on several occasions with their passing attack. They gained 75 yards from passes which was exactly as much as they made from scrimmage. As usual, the Miners produced a one man attack, with McDonald carrying the entire burden of the Blaster's offense. He carried the ball on all but two plays.

The touchdown famine suffered by Colorado College was ended when Norman Trainor, a half-back, crossed the Mines goal stripe to contribute 12 points to the 14-0 win for C. C. The Miners brought the ball within scoring distance twice but bad breaks and an alert Tiger team kept them from scoring.

**C. C.—C. U.** A blocked punt in the final minutes of play spelled a heart-breaking defeat for the Tigers and for the thousands of alumni who were back for Homecoming. With two minutes to play, Unger of

C. U. blocked a C. C. punt on the C. U. 35 yard line, scooped the ball and raced for the goal line.

Except for the opening minutes of the game, the Tigers completely out-classed their heavier foes in one of the best football exhibitions ever staged on Washburn field.

The Tigers consistently forced the Boulderites to play on the defensive and several times came within scoring distance, but did not have the offensive punch to put the ball across the goal line.

A last minute rally by the Tigers was stopped by the final gun. The Bengals gave a marvelous exhibition of what can be accomplished by spirit and fight against heavy odds. Everyone, including the Buffalos, admitted that it was a moral victory for C. C. in spite of the 7-0 score.

**C. C.—Washburn.** The Tigers and the Ichabods played to a 0-0 tie in the first of a home and home game arrangement with the Topeka Institution of higher learning. The game was played in a heavy snow storm which slowed it up considerably. Despite the weather, the contest provided many thrilling angles for the small band of spectators who braved the blizzard.

The best play of the game was a pass by Washburn for about 25 yards, followed by a triple lateral which advanced the ball 60 yards to the C. C. four yard stripe. Here the Tigers held for downs and took the ball just as the half ended.

The slippery field kept both teams from showing their best and the snow made the ball exceedingly

hard to handle. Advance reports gave the Ichabods credit for a very effective passing attack, however, the wet weather kept them from displaying anything other than the play mentioned above. The Tigers played their usual hard, clean game.

**C. C.—Western State.** This game marked the eleventh meeting of the two institutions on the gridiron. The Tigers maintained their unblemished record of never having been beaten by a Mountaineer eleven. The game was featured by straight football; the Tigers failed to rely on the aerial attack in a single instance. In the first half they were never in a position to pass and in the second half it would have been foolish to have forsaken a running attack which was clicking so admirably.

The Mountaineers outclassed the Tigers in the first half, but the Bengals came back in the second and, led by Neil and Trainor, carried the pigskin to Gunnison's goal line where Neil carried it across for the lone touchdown which spelled the 7-0 victory for Colorado College.

The Tiger line was superior to that of the Mountaineers and repeatedly outcharged and out-tackled the Westerners, who possessed a material weight advantage.

**C. C.—Aggies.** The heavy Farmer team handed C. C. the worst defeat of the season. The final score was 19-12. In the first half the Aggie eleven seemed unconquerable. For the first time in two years the Tiger line faltered. It was their proud boast that the opposing teams scored over the line but never through. The Farmers smashed this record by scor-

ing twice through the previously invincible Tiger forward wall.

In the second half the Tiger line regained their spirit and confidence and played their usual sterling game. In the third period Norm Trainor went over for the first Bengal score on a beautiful cut-back. With three minutes to play Trainor faded back and sent a bullet pass across the goal into the waiting arms of Captain Haines, on a tackle eligible play for the second touchdown.

During the remainder of the game the Tigers seriously threatened and would probably have made another touchdown had the game been two minutes longer.

**C. C.—B. Y. U.** The Tigers ended their season in a burst of glory by defeating the favored B. Y. U. team 6-0. This made two victories in a row over the Cougars.

The game was a great defensive battle and not until the Tigers used their famous "Marathon Pass," did they pierce the B. Y. U. defense. The play is very similar to the one which worked so effectively against D. U. in the season's opener. Deacon took the ball as if on a long left end run. As he reached the east side lines he suddenly whipped around and threw a 50 yard lateral to Mowry, who evaded a B. Y. U. would-be tackler and behind perfect interference galloped for the winning touchdown. This great victory was a fitting climax for a season featured by its many moral victories. There should be little doubt left in anyone's mind that Colorado College had one of the best and also one of the unluckiest teams it has had in a long, long time.

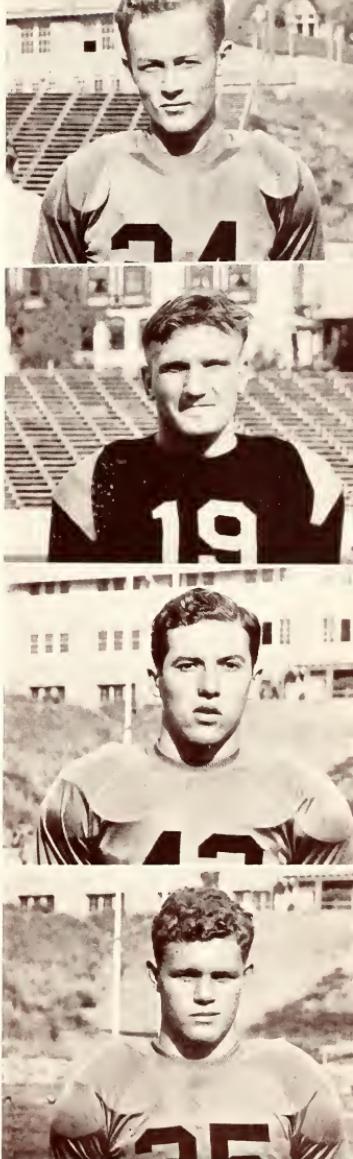

## FRESHMEN FOOTBALL

Despite lack of numbers and weight these embryonic Tigers showed the characteristic fight of all "Tiger Men" and under the tutelage of Guy Martin showed almost miraculous progress. D. U. boasting its finest Freshmen squad in years, played host to the cubs in the first clash of the year. Playing before a foreign crowd our boys were too tense and nervous and before they got their bearings. D. U.'s mammoth Frosh had turned the game into a rout. The outstanding man on the field for C. C. was Barney Boysen, a charging center, who made half the tackles and generally distinguished himself. Stinging under their first defeat, the Tiger Yearlings entertained Regis on Armistice day and to the cheers of the crowd soundly spanked them and sent them home as Louis Whittaker ran wild.

## THE TEAM OF 1940

No write-up of the football season would be complete without mentioning the forgotten heroes of the 1936 squad. These men were sophomores, who were kept on the sidelines to give them one extra year of football eligibility. These men came out night after night and worked as hard or harder than anyone on the squad yet they knew that they would not get a chance to show what they could do under fire. There is no doubt that many of these men would have made the team had they been given the opportunity, for they more than proved their worth in practice. These men were: Gordon Bugg, Kenny King, Morris Worl, Vernon Hunt, Jerry

#### Jo Biggs, captain elect

merited the confidence of his team mates to the extent that they elected him captain for next year. Homer, who hails from Grand Junction, is a junior and has just finished his second year of varsity football. He is regarded as one of the scrappiest guards in the conference; even Bully thought he was a "scappa." Jo received recognition on several all-star elevens and his leadership next year should be as much of an asset as his stellar line work. He is a member of Kappa Sigma fraternity.

#### Harold "Softy" Haines, captain

wrote finis to his collegiate football career against B. Y. U. Haines has been a consistent thorn in the sides of the opposition for the past two years. "Softy" distinguished himself in everything he did, from blocking and tackling to catching passes on tackle eligible plays. His all-around ability was given recognition by being selected on several mythical all-conference elevens. Captain Haines was well liked by every man on the squad; his smashing line play will be sorely missed next year. He is a member of Sigma Chi fraternity.

## *Basketball*

No coach in the Rocky Mountain conference faced a tougher task of rebuilding his club than did Coach Juan Reid, youthful Tiger mentor. C. C.'s losses were very heavy, graduation took both forwards, Harold Berg and "Pots" Berglund; the center, Alton Christenson and a steady guard, Al Costello. Jim Riley, all-division guard became ineligible and was lost to the team.

This general exodus left only three letter men on the squad, Cook, Lockhart, guards, and Ken Hall, forward. When the squad was cut, seven of the twelve men picked were sophomores. This large number of sophs make a bright picture for the future but they were too inexperienced this year to do justice to Coach Reid's excellent system.

## CAPTAIN CORY COOK

Cory Cook, rated as one of the best all-around players in the Rocky Mountain conference, began his collegiate career at C. C. in 1932. He dropped out of school and returned in 1934. Due to great ball handling and clever passing Cory has been one of the mainstays of the Bengal team during his three years of varsity competition. Opponents have rated Cook as one of the hardest men in the conference to fake out of position.

Cook was elected captain of the 1936-37 team after Jim Riley, who was elected last year, was declared ineligible for varsity competition. Cory was not interested in sports in high school until his senior year when he made first team in three major sports. His only collegiate sport has been basketball.

**Durwood Lockhart, Captain-elect.** Durk is a member of the junior class and is playing his third year on the Tiger squad. He is a consistently reliable player and has held down a guard post for the past two years. His team mates have recognized his ability by electing him to the captaincy for next year. He is a member of Kappa Sigma fraternity.

**Bill Wolfe.** Besides being a steady guard on the basketball team, Bill is a star player on the Tiger baseball nine. He is extremely fast with his hands and is rated the most improved man on the squad. He is a member of Phi Gamma Delta fraternity and an officer of the junior class. We expect great things of Bill next year.

**Jack Haines.** The Tiger high scoring forward, hails from North Denver high, where he was picked on the mythical all-state team. He was a member of last year's famous frosh team and has more than lived up to his excellent reputation this year. He is a sophomore and member of Sigma Chi fraternity.

**Frank Wood,** the other starting forward, has won the acclaim of everyone for his great offensive floor game. He also hails from North Denver, where he starred with Haines and Bugg. Frank was a consistent player and could always be relied upon to turn in a good score.

**Gordon Bugg,** the third of the champions from North Denver was probably the most aggressive man on the squad. There was always plenty of action when Gogo was in the game, he was following and fighting for the ball every minute. He has two more years of competition and there is no doubt that he will be a starter next year.

**Kenny Hall.** Hall has played his last game for Colorado College, having played three years of varsity ball. Kenny is renowned for his spirit and fight. Besides being a dependable athlete, he made letters in both basket and baseball. Kenny has made one of our best student presidents, and has established an enviable record as a student.

**Joe Aldendifer.** "Busty," an all-around athlete, not only plays a good game of basketball but also stars in football and track. He is the only football letterman to win his basketball letter and is also the only man with the chance to earn three major letters this year. Joe is also a first class swimmer and an excellent skier.

**Eddie O'Neil.** Eddie is a member of the sophomore class and played his first year of varsity basketball. Although one of the shortest centers in the conference, he frequently out-jumps his taller opponents. He is the smoothest player on the team and plays a consistently good floor game. Eddie returned to school this year after a two year layoff. Sophomore, home town Colorado Springs.

**Carroll Bullock.** Carroll might well be nicknamed "Speed," for that would be most characteristic of him on the basketball court. He has done many fine jobs in relief roles and has won the admiration of all for his excellent spirit. More than once he has brought the stands to their feet with his thrilling shots in the closing minutes of a close game. Home town, Colorado Springs.

**Bob Livingston,** tallest man on the squad, was greatly handicapped this year by a heavy schedule of courses demanding long laboratory periods and was therefore not able to devote the necessary time and energy to basketball. Bob gained much valuable experience which, coupled with his height, should make him very valuable next year. He is a member of the junior class and a resident of Colorado Springs.

### FRESHMEN BASKETBALL

December brought not only Christmas but also the first call for basketball by Coach Dee Glidden. A talented array of performers responded and now C. C. could get its first criterion of what to expect from these hoopsters. Incidentally C. C. expects much in future years from these veterans, so called because as yet they are undefeated and have accounted for the downfall of such formidable foes as: D. U. Frosh, Regis Frosh, Canon City High School, Blair's Business College, and the local Y. M. C. A.

The '40 edition of waxed court artists are rangy, fast, good shots, and have the faculty of playing hardest when the competition is toughest. This is a combination that bodes ill for future C. C. opponents. The squad is composed of Price, Macrum, Reid, Fleischli, Garkie, Ivory, Hoadley, Autrey, Osborn and Boyes.

## *Baseball 1936*

**C. C.—D. U.** The Tigers won their season opener against Denver by a score of 10 to 7, but dropped the second of the double header 9 to 3. Bill Wolfe, pitching his first varsity game, played an outstanding game. Sutak was offensive star, getting three hits out of five trips. Captain Costello, Leonard and Owens played fine games.

**C. C.—Aggies.** The Tigers again split the series, giving Aggies the first game 10 to 6 and taking the second 5 to 3. Cheney had good support in the second game, which enabled him to come through with his first victory.

**C. C.—Mines.** For the first time in the season the Tigers won both games of the series. The Tigers were "on" the first game and ran up the largest score of the year in defeating the Miners 23 to 7. The second game was much closer with the Bengals winning by a score of 6-5. Costello, Hall, Nagy and Sutak all connected for home runs during the series. The Tigers, although out hit by the Miners, came out ahead due to the fine support of every member of the team.

**C. C.—C. U.** In the last series of the Tigers' eight game schedule C. C. failed, for the first time, to win at least one game of a series. Superior hitting and better support of their pitchers were two of the reasons for Boulder's wins of 8-6 and 6-0.

**Juan Reid**, former Colorado College athlete and head baseball coach took a squad of 13 men, the smallest squad in the conference, and made a dangerous team out of them, a team that played all eight of its games away from home and finished with a .500 average. The Tigers were the only team in the conference to beat Colorado Aggies until the pennant winning C. U. Buffaloes did in the final championship series.

### STEWART FIELD

The new auxiliary field just north of Washburn was obtained by C. C. from the Colorado Springs park board as a direct result of generous cooperation on the part of many business men of the region. Among those who contributed to the development of the field are Ed Honnen, Doug Jardine, George H. Krause, William Thorne, and City officials of Colorado Springs. As a result of the unselfish work of many of these unsung boosters of Colorado College we now have a baseball diamond, and a practice football field as well as an area where intramural sports programs may be held. The C. C. baseball team has been greatly handicapped in the past because of lack of diamond facilities. Last year all home games had to be cancelled because no suitable ball park could be found. A renewed interest is being taken in baseball this year thanks to Stewart Field. C. C. fans will be able to witness home games and the Tiger nine can again settle into normal schedule after two years of traveling. The new field will be initiated this spring with four home conference games.

The Tiger schedule is as follows: April 10, Denver University at Denver (doubleheader); April 16-17, Colorado Aggies at Colorado Springs; April 24, Colorado Mines at Colorado Springs (doubleheader); April 30-May 1, Colorado University at Boulder.

## *Track 1936*

The track and field outlook for 1936 was probably the darkest in history, due partly to graduation losses and partly to the application of the freshman rule which bars first year men from varsity competition.

The track squad was deficient numerically but as far as the caliber of the individuals were concerned, the Tiger tracksters were as efficient as ever. The most optimistic roll call taken by Track Coach Jo Irish revealed about 18 candidates for the team. This was the first time in ten years that there has been less than 25 out for track.

Eight lettermen comprised the nucleus of the 1936 squad. They were Captain Andy (Chink) Mihalick, weights; Ray Hess, javelin; Neil and Bruce, middle distance; Espinosa, sprints and broad jump; Mace, two miler; and Haines, weights. The rest of the squad were composed of holdovers who failed to qualify for letters in 1935. They were Christenson, Packard, Roberts, Switzer, Mowry, Frenzel, Phelps, Todd and Johnson.

Jo Irish's track team produced several outstanding individual performers with Wayne Neil winning the eastern division 440 championship and finishing second in that event in the conference meet; Harold Haines winning second in the hammer in both division and conference meets; Andy Mihalick, Ray Hess and Ed Espinosa performing consistently well, especially in the dual meets. Mihalick, Hess and Espinosa shattered all time C. C. records during the season.

The outstanding event of the season was the showing made by the Tiger ten man track team against a horde of D. U. tracksters. Irish's seven-pointing entrants amassed the surprising total of 67 points to 73 for D. U. Colorado College needed a win in the mile relay to win the meet. The Tigers might have taken that event also, had not Haines and Mace been slowed up by injuries which had forced them to drop out of other events. Ray Hess, probably one of the outstanding, all-time, all around athletes ever to wear the Black and Gold, accounted for 21 points by winning firsts in the javelin toss, and the high jump; seconds in shot put, pole vault, and 220 yard hurdles; thirds in 120 high hurdles and the broad jump.

#### RECORDS FALL

Andy Mihalick, Tiger track captain, and No. 1 weight man, spun the discus 136 feet in the Mines-Greeley meet, breaking his own record of 135 feet 5 inches set the year before.

In the dual meet with Colorado Mines, Ray Hess whipped the javelin 178 feet 8 inches, to break his own of 169 feet set up in 1935.

Another record holder on the squad not to be forgotten, is Ed Espinosa, who holds the all-time in the broad jump of 22 feet, 2 inches.

## COLORADO COLLEGE RELAYS

Four out of five relay records and two special event marks fell by the wayside in the fourth annual C. C. relays for high school teams held at Washburn field. East Denver's Angels won the meet with a point total of 61, compared to 35 for South Denver Rebels, their nearest rivals. The new records set up were:

## FRESHMEN TRACK

Spring will bring grass, love, and track to C. C. Though there is little regular competition for Freshmen tracksters it is a chance to get some valuable training under Coach Jo E. Irish that will stand them in good stead when they become eligible. As every spring rolls around, an intramural track meet is held that uncovers any new or latent material. This spring will be no different and the freshmen will be the unknown quantity making the event memorable.

## *Tennis 1936*

The varsity tennis team swung into action without the services of a good part of the 1935 championship team. The men lost by graduation were Jack Livingston, Don Hibbard, Jack Bohon, and Bob Lamasure. The three lettermen returning were Captain "Potts" Berglund, R. M. C. singles champion Murray Lorenz, and Dick Dickison.

**C. C.—Mines.** The Tigers started the season with a bang by defeating the Colorado School of Mines in a dual meet in Monument Valley park. The Bengals came out on top by winning three singles and two doubles matches. The winning men were: Berglund, Dickison and Loesch in the singles and the doubles teams of Berglund and Loesch, and Lorenz and Armstrong.

**C. C.—C. U.** In the second meet of the season the Tigers lost to Boulder in a much interrupted meet, due to frequent showers. Harrison Loesch was the only man to win his match. The doubles were postponed because of rain.

**C. C.—D. U.** Denver scored a decisive victory in a dual meet on the Quackenbush courts in Monument Valley park, winning seven out of nine matches. C. C. won two singles matches, Berglund and Dickison taking their matches. The Pioneers swept the doubles matches.

**Eastern Division Meet.** Colorado University was successful in their attempt to down the Tigers and won the meet by 21 points to 16 for C. C.

**Captain Harold Berglund.** C. C. ace, successfully defended his singles championship by defeating Wigatow of C. U. 6-2, 6-0, 6-2.

## *Golf 1936*

The 1936 edition of the Colorado College golf team turned in a moderately successful season with Captain Art Doering, R. M. C. champion, as the outstanding man on the team.

**C. C.—D. U.** The Hilltoppers were too much for the Tigers and won by a score of 12 to 6. Doering and Rustin were the Tigers winning their matches. Lamar, McIntyre, Cary and Switzer lost to their opponents.

**C. C.—C. U.** In their match with Boulder C. C. lost  $12\frac{1}{2}$  to  $5\frac{1}{2}$ . Joe Rustin was high point man for the Tigers. McIntyre and Rustin were the winning C. C. golfers.

**Conference Tournament.** Art Doering, C. C. Captain and defending champion passed the field, in the conference tournament held at Cherry Hills, to win medal honors, while the C. U. five man team retained its title for another year.

Individual scoring for C. C.: Doering 76-75—151; McIntyre 92-86—178; Lamar 93-87—180; Vary 94-110—204; and Rustin 96-97—193.

In the conference finals Art Doering retained his Rocky Mountain conference championship by scoring a 4 to 3 victory over Brown of Colorado University.

# *Spring '36 Sports Intramural*

## TRACK

In the annual "spiked" interview it became evident that the Sigma Chis had won a notable victory chiefly through four first won by Aldendifer and Bugg.

## HORSE SHOES

Spring, flowers and love rolled blithely around to find the "Fijis" nonchalantly throwing "ringers" to the dismay of the other three entrants— incidentally Phi Gams came off the victor.

## SOFT BALL

Sigma Chi stepped up to the plate and knocked the hopes of the other five teams into the proverbial "waste basket." Rumor has it that they couldn't hit but how he could pitch.

## TENNIS, SPRING '36

Termination of Spring tennis found the Phi Gams courting victory in both the single endeavor and in the dual struggle with Wolfe and Packard losing nary a match.

## GOLF

The only "birdies" were in the trees and the "Eagles" had gone fishing, nevertheless, without their help the golf meet progressed—result, Betas 23, Phi Gams 16, Sigma Chis 8.

# *Fall '36*

## CROSS COUNTRY

Pushing runners across the line in 2nd, 3rd, 7th, and 8th positions enabled Sigma Chi to successfully refute the individual dominance of Mace, Phi Gam, by garnering 20 points.

## TOUCH FOOTBALL

The Phi Deltas leaped, twisted, and passed their way to victory in this annual tourney. A three way tie for second left the Betas, Kappa Sigs, and Phi Gams arguing as to their respective supremacy.

## FALL TENNIS

Racquet wielders from Beta Theta Pi and Phi Delta Theta were unable to settle their controversy on the court—consequently each received 20 points and a half share in the crown.

## HAND BALL

The handball crown was won by Phi Gamma Delta due mainly to the efforts of Wolfe, singles champ. Second place was won by Kappa Sigma.

## VOLLEY BALL

Volleying the ball across a net seemed to appeal to every fraternity. Consequently a hard battle ensued, with Sigma Chi and Phi Gamma Delta tying for first. In the play off the Sigs soundly trounced the Phi Gams.

# *Fall '36*

## **BASKET BALL**

Perhaps the most exciting sport of all was won by the Independents at the expense of the Kappa Sigs. The most colorful team to play was the Faculty, noted for their cagy play and for Bully's rushing overhead setup.

## **BOXING**

Harvesting black eyes, bloody noses, and a few championships Phi Gamma Delta won the team championship with 19 points, followed by Independents 10, and Kappa Sigma 9.

## **WRESTLING**

The brawny Kappa Sigs grunted their way to a championship by squeezing 22 points out of the meet. Phi Gams collected 10 and Phi Deltas 5.

## **SOCCER**

The most grueling sport on the campus resulted in a tie between Kappa Sigma and Phi Delta Theta. The Phi Deltas won in the classic skinned shin "bowl" game.

## **SWIMMING**

Phi Delta Theta amassed 22 points to win the 1937 C. C. swimming meet. Beta Theta Pi placed second with 19 points. The meet, drawing 40 participants, was the best aquatic event ever staged at C. C.

## *Ski Club*

Probably unique among the colleges of the country in that good skiing is available nine months of the year within an hour by motor from the campus, Colorado College has developed a vigorous winter sports group this year. Each Sunday Glen Cove has attracted numerous skiers. Rapid improvement has been shown in the many novices.

Colorado College was represented at the collegiate championship meet at Berthoud pass and though the squad was small it returned with first place in two of the four events. Ted Billings, a freshman, won the jumping contest and Gordon Mace repeated his triumph of the previous year by winning the cross country race. Tish Rawles added to these victories by tying for first place in the women's race.

Colorado College was host to the skiers of other institutions of the state at a tournament held at Glen Cove April 11, 1937.

## *Inter-Fraternity Council*

The Inter-Fraternity Council is made up of twelve members, two from each fraternity. Its function is in solving inter-fraternity problems, such as making dates for rush weeks, hell weeks, and formulating rules for date cards. Another of its problems is in designating which group should ring Cutler bell after a victory. Eligibility for such things as offices is passed on by this representative group. Each year a dance is sponsored by the council.

## *The Associated Students of Colorado College*

The Administrative Council which is the governing body of the Students of Colorado College has attempted to encourage a cooperative spirit between the different organizations on the campus and to direct their widely varied interests toward a common goal.

The prime achievement of this year's council is the redecorating and furnishing of the new Student Union Building, Lennox House.

## *Associated Women Students*

The Associated Women Students of Colorado College, which is composed of all the coeds in school, was created to help further interest in the activities of the college among the women and their organizations. The board, which includes Mrs. Louise Fauteaux, Dean of Women, as an ex-officio member, formulates the policies of the sponsor organization, and has charge of the vocational guidance for women. This last year Miss Osborn was brought to Colorado College to talk to the women students about charm.

## *The Student Handbook*

The Student Handbook is published annually by the Associated Students of Colorado College under the supervision of the publications board.

It endeavors to acquaint the new student with the prominent features of the campus, and serves as a guide and reference for the upper classman.

This year's book contains greetings from the administration for new students and information concerning scholastic requirements, the constitution and by-laws, customs and traditions, and general data regarding campus organizations and athletic activity.

## *Nugget*

As has been the case in former years the 1937 Nugget has attempted to catch and portray all the moods of the campus. This is only a snapshot of Colorado College in which we cannot possibly include the complete panorama of campus life, however, we have picked out bits that may, through memory, be patched into the whole. It is our hope that in future years this book may recall old friends and eventful days spent on the Colorado College campus.

We take this opportunity to applaud for their help in the production of this book William Henderson, Orville Trainor, Ruth Gilmore, James Fennel, and Robert Boyle.

## *The Tiger*

The Tiger, weekly publication submitted by the students of Colorado College, has been an active organ of student interest and opinion this year. Distinctive as the only newsmagazine in the Rocky Mountain region, The Tiger serves as a more personal contact between the College and alumni as well as a translation of student life.

Offices of the editorial staff have been moved from the printing company to rooms in Montgomery Hall to make news reporting more efficient and to enable more students to participate. Staff members cooperated in the installation of a publications all-college dance, the Regit-Teggun, which proved to be one of the most successful enterprises of the college year.

The managing editor and advertising manager are elected each spring by the Publications board. The new managing editor assumes responsibility the first week after spring vacation, while the advertising manager enters office the first week of the following scholastic year.

## The Tiger Club

One of the most colorful and enthusiastic groups of Colorado College rooters to be seen at the conference home games is the Tiger Club. This organization, composed of sixty coeds, who may be recognized by their orange sweaters and black skirts, is the women's pep club of the College and is made up of representatives from the four sororities and the independent group. The members must attend all home games in uniform in order to retain membership in the organization.

## MEMBERS

## *The Growler's Club*

The men's pep organization in Colorado College, which is closely associated with the Tiger Club and is their only rival in enthusiastic school spirit; is known as the Growler's Club. This group is composed of representatives of the different fraternities and the independents who are elected to membership in their sophomore year. They, like the Tiger Club, attend all conference home games in a body and are the center of all student enthusiasm.

## Dog Club

The Dog Club is perhaps the most unique organization on the campus. Membership is attained by passing the gruelling test of biting the head off of a live water dog, no fooling. Probationers are transformed at the annual banquet, at which time they receive a certificate of transformation.

## *Koshare*

Koshare, under the direction of Arthur Sharp, is the dramatic club of Colorado College. It has presented so far this year "The Black Flamingo" by Sam Janney, a Christmas play, "Eager Heart," "Night Over Taos" by Maxwell Anderson and "Spring Dance" by Philip Barry.

The purpose of Koshare is to develop dramatic talent, a greater interest in drama, and to give entertainment.

## *Alpha Kappa Psi*

Alpha Kappa Psi, professional business fraternity, is composed of upper-class students in the Judson M. Bemis Department of Business Administration and Economics. Its fundamental purpose is to bring together students interested in the same field or phases of it. The principal functions of the fraternity are: to carry on the department of business administration's plant visitation program, to provide a contact with the city's business men, to conduct research projects, to secure speakers on business topics, and to assist members in their chosen fields after graduation through alumni organizations.

The highlight of the year is the annual dinner given in the spring for local business men with prominent speakers such as last year's when the governor of Colorado and a justice of the state supreme court spoke on current business topics.

## *Glee Clubs*

The Men's and Women's Glee Clubs function sometimes separately and sometimes together. They are strictly extra-curricular and each year charms are awarded to members who have served the club well. Awards of charms were made for the season of 1935-36 to the following: Mary Barkalow, Robert Boyle, James Colling, Curtis Gates, Richard Hall, Ed Little, Theodore Little, Katherine McCuan, Dale Owens and William Sheehan.

The prime aim of the club is to musically unify the college and serve as an emissary and advertiser for the entire institution.

During 1936-1937 the clubs have taken a trip to Longmont. They have appeared for the Christmas program of the Colorado Springs Music Club as well as a radio broadcast on KVOR. It is expected that they will sing the choral parts of Gluck's opera "Orpheus" in the spring music festival in May.

## *Euterpe*

Euterpe is a Colorado College music society devoted to the appreciation and enjoyment of music. Meetings are held bi-weekly either in Perkins Hall or in the homes of the members. Each Euterpe member participates in two programs a year. All students of music registered in the college are, *ex post facto*, members.

The outstanding program of the season was given at Fine Arts Center, February 26, in which Canon Douglas of Denver delivered a lecture on sources of Bach themes and Miss Marjorie Hornbein, also of Denver, played a program of Bach on the piano.

## *Homecoming*

Homecoming this year, most cherished day among college traditions of good-fellowship, surpassed all previous Homecomings for entertaining the alumni of Colorado College.

The celebration began Friday, October 30th, due to a holiday that was granted as a result of a student petition. At six p. m. house decorations of the various fraternities were judged. Lambda Chi Alpha won first prize for the best decorated house, Beta Theta Pi second, and Phi Gamma Delta third.

At seven-thirty the students held a torchlight parade through the business district, which was followed by a pep meeting and bonfire at Cossit stadium. The enthusiasm for the day was concluded with an all-College dance held in the ballroom of the Broadmoor Hotel, where Miss Helen Zick, a member of the sophomore class and of Kappa Kappa Gamma was crowned Homecoming queen.

Saturday, October the 30th, started with a huge demonstrative parade, forming at Platte avenue and Tejon. The parade, led by the College band, marched through the business districts, making occasional stops for College yells and songs illustrative of Homecoming spirit. Honors for the best decorated float went to Phi Gamma Delta for the fraternities with their float, "Polish Old Boulder," and to Gamma Phi Beta among the sororities for "Clocking Boulder." The parade had some of the cleverest floats ever seen here, many using Buffalo heads in various manners. The streets were crowded to witness the parade and with a warm sun shining the occasion was in the finest holiday spirit.

Windows in downtown stores took on a collegiate festive attire in honor of Homecoming at Colorado College. Tributes to the College and the Tiger

football team, together with welcome signs to alumni, home for the big reunion of their Alma Mater, were the themes for many windows in stores owned by College boosters. Outstanding merchants who participated in Homecoming by decorating their windows were: Giddings', Perkins-Shearer, Pikes Peak Floral, Derns, Robbins, Phillips-Smith, Sign of the Rose and Johnson-English.

After the Homecoming game all the fraternities and sororities had open-house for all the visiting alumni. The day's celebrations came to a close with a dance at the Yacht Club of the Broadmoor Hotel.

## *Pan Pan*

With Bill Henderson and Jimmy Fennell as student managers and Arthur G. Sharp, Jr., as faculty advisor, this year's Magna Pan Pan was acclaimed by all attending as the best performance ever presented by the Associated Students of Colorado College.

Phi Gamma Delta produced the best act among the fraternities and proved their worth as the outstanding singers of the campus by their performance, which was composed entirely of songs. The glee club, led by Harold Stillman, was splendid in contributing several well known songs, including a few college songs. One of the cleverest acts was their version of "The Martins and the Coys." The famed trio, composed of Harold Stillman, Jim Naismith and Curtis Gates, had a very novel way of presenting harmony songs. Gates also sang a solo, "I've Got My Love to Keep Me Warm." The acts were heightened by the setting which was a large neon sign portraying their pin.

Kappa Kappa Gamma presented the best act among the sororities, the theme of their act was "Memories," and was a well rounded and finished performance

with Barbara White as the bartender, relating events of the gay nineties which were then pantomimed in old time costumes. Contrast was shown by a chorus clad in white evening gowns, which sang many old, but well loved songs. Helen Hoskins was the only soloist on their program.

Highlights of the Kappa act were Jeanie Barkalow and Peggy Simpson, who gave a clever tap dance of school days, and Mary Harris and Helen Zick, two Harlem coons who really strutted their stuff.

The Tiger and the Nugget staffs expressed their interest in Pan Pan by presenting a third cup to the organization presenting the most original act. Gamma Phi Beta were winners of the originality cup with a clever idea enacting some of the better known ads. The highlight of their program was their presentation of a Coca Cola ad, consisting of a novel tap dance by Marguerite Ridge, Billie Bennett, and Harriett Boutin.

As new addition to Pan Pan this year the managers presented a cash prize of two dollars and fifty cents to the individuals presenting the best curtain acts between the major acts. This prize was won by Jack Middle and Bobby Kelt. This comedy team brought down the house with their version of "One, Two, Button Your Shoe."

Pan Pan this year was devoted entirely to a vaudeville theme, this being the result of a poll conducted among the students to determine their preference. All acts were of a high class caliber and showed that all organizations spent much time in preparing them. The winning acts were later presented at the Chief Theater in Colorado Springs.

## *In Dedication*

- To the loyal merchants of this our college town.
- Were it not for them this book could not be published.

## *Tigers*

- Look at the situation from this angle.
- Should you venture down-town, on the afternoon of one of our football games, you will find practically all of the business establishments either short-handed or at least minus their executive force. They are at the game, truly our loyal supporters.
- Notice too; the number of business men at any of our athletic events, Koshare plays, at the annual Pan Pan, and not forgetting their co-operation at the time of home-coming. There is not a college day when they are not active in each of our undertakings.
- Every one of our publications are always conscious of the absolute approval of the business men, at all times.
- Thus Tigers; it is the bounded duty, thru loyalty to our own college, to support in every way those merchants who uphold us, OUR ADVERTISERS.

# Colorado College

THURSTON J. DAVIES, *L.L. D.*, *President*

Just three hundred years ago was founded this country's first institution of higher learning, a liberal arts college. Today the necessity for the liberal arts college is as great as when the first one was founded.

Colorado College is a liberal arts college of the old tradition distinguished by its faithful adherence to the principle that the relation between the student and the teacher should be a personal one.

The national standing of the College is evidenced by the fact that students from thirty-four states were in attendance during the current year.

Information in regard to Entrance Requirements, Scholarships and Courses of Study may be obtained by addressing Thomas H. Rawles, Director of Admission, Colorado College, Colorado Springs, Colorado.
